**Proof of Academic Visit:**

This letter serves as formal proof of the academic visit by students and staff from Institut Agama Islam Negeri (IAIN) Kendari to The University of Notre Dame Australia (UNDA), Fremantle Campus, on Monday, October 23, 2023.

As part of IAIN Kendari's *International Mobility Program (IMP) 2023* to Perth, Western Australia, the delegation participated in an academic session with a class of UNDA International Relations students, which I had the privilege of leading. The visit was supported by representatives from the Konsulat Jenderal Republik Indonesia, Perth.

During this visit, the IMP student representatives from IAIN Kendari conducted a Bahasa Indonesia language lesson for our students, followed by a cultural presentation delivered by the Rector of IAIN Kendari, Dr Husain Insawan.

This collaborative academic engagement provided a valuable opportunity for cross-cultural and educational exchange, enriching the experience of both institutions."

Yours sincerely,

Daniel Baldino
